### CAP INDEX 0-9 Web Page (As of 14 March 2003)

Note: Adobe Acrobat is required to view all online publications. To download the latest version of Acrobat, please go to [Adobe's](#) web site.

New or revised material is posted to this web page as they occur. The "As Of" date indicates latest update. Shaded areas identify new or revised material since the last biannual (April or October) mail out (distributed copies). This web version 0-9 cannot be requisitioned from NHQ CAP/MSAD (Mailroom).

### **Publications Bulletin: New or Revised Material Since the October 2002, CAP INDEX 0-9.**

It is CAP's intention that all publications be written utilizing the concepts of gender neutrality. Therefore, except as required due to gender differences (such as in descriptions of CAP uniforms), all references to one gender should be interpreted to apply equally to both genders.

Below is a numerical index of forms, tests, certificates (order on CAPF 8 from MSAD), certificates (order from OPR), other agency, and obsolete section currently in effect at National Headquarters Civil Air Patrol. A pound-sign (#) denotes previous editions may be used.

Forms:

The **electronic CAPF 8** (*Requisition for Publications and Blank Forms*) is restricted and requires access from your web security administrator (WSA). The form is then found in the [e-services](#) area under restricted applications.
